SUBJECT: SERBIA INTENDS TO SUPPORT ASSOCIATION WITH COPENHAGEN ACCORD

REF: STATE 3079

Serbia's Environment Minister Oliver Dulic told the Charge on January 20 that Serbia intended to associate itself with the Copenhagen Accord prior to the January 31 deadline. Dulic said the Government needed to adopt its report on the Copenhagen Summit and then would quickly associate itself with the Accord. He said Serbia intended to follow the EU's lead on climate change issues and also hoped to play a constructive role on climate change within the Balkans.
